

In 2023 the BHTC is offering MARK ERZEN SCHOLARSHIPS

Proudly the Beverly Hills Tennis Club announces that we will award multiple scholarships to students entering grades 7 through 12 in Mark Erzen's name. Interested players will find the application on the BHTC website as well as attached in this email. This scholarship is available to members and non-members alike—non-members will be awarded a junior membership to the BHTC for 2023; while children who are already members—through their families—will earn the dollar-equivalent in lessons with one of the Club pros.

Mark was an avid BHTC member, and Club president in 2013; he also was a dedicated math teacher and tennis coach at Morgan Park Academy.
